## Profile

I have recently finished a full-stack web development course at Le Wagon Berlin and I am looking forward to being part of a talented team where I can utilise these skills as well as keep on learning. I am an excellent team member with strong communication, project management skills and endless curiosity to learn.

## Work experience

**Executive Assistant at Boeing Research & Technology Europe, Madrid**  
Dec 2017 – Present

### Responsabilities

- Full administrative support to Vice President of Global Technology.
- Active collaboration in internal comms, newsletters and events at large scale.

### Accomplishments

- Created content and design of internal website with html & css.
- Council Member of Women Inspiring Leadership Employee Group and advocate for Inclusion & Diversity.

**Practice Manager at The London Clinic, London**  
Jan 2014 - Sept 2016

### Responsabilities

- Management of all aspects of medical private practice for 3 renowned consultants.

### Accomplishments

- Successfully set up practice on own initiative from scratch.

## Recent Projects

**2022**

### Paritize App

Paritize comes from word “parity” and aims to bridge the gap in gender diversity in STEM focused companies.

[www.paritize.com](http://www.paritize.com)

### Driven App

Driven is app where you can rent drivers to drive your own car.

<https://driven.allanqan.herokuapp.com>

## Education

**Le Wagon Berlin, Batch #738**  
**Full-Stack Web Developer course**  
Oct 2021 – March 2022

**University of Surrey, UK**  
**MA in Translation**  
Jan 2002 – Sept 2003

**University of Granada, Spain**  
**English Philology**  
1997 - 2001

## Interests

My biggest passions are reading, Ashtanga yoga, meditation and solving coding challenges (of course).
